

# 7th European Cell Mechanics Meeting

## CELLMECH 2017

21-23 June, 2017

Windermere, England

CellMech is a conference that brings together scientists working in cell mechanobiology with an emphasis on the integration of mechanical processes across scales, from subcellular components to tissues.

Held on a biennial basis, it is one of the premier worldwide meetings in Cell Mechanobiology.

### Organizing Committee

Kevin Chalut  
Kristian Franze  
Cécile M. Perrault
